Notes from Laurie ~

Our 2024 season will begin on May 15 . Hours will be 10am –4pm Monday—Saturday and Sunday 1 pm—4:30pm. May is Minnesota Museum Month — we are so fortunate to have wonderful museums in our area. Minnesota has at least one museum in each county and we can boast four! That's pretty impressive!

The Threshing Show will take place Aug 3 & 4. The Hanley Falls High School graduating classes of 1965 and 1966 are planning reunions that weekend— let me know if any other classes will be having reunions. We will have some fun activities in the museum for you! See you at the Show!

See you at the 2024 Pioneer Power Threshing Show!

August 3 & 4. The flyer will be out soon! Feature is Ford and Fordson and Johnson and Fuller gas engines.
