# MINNESOTA'S MACHINERY MUSEUM

HANLEY FALLS, MINNESOTA

Minnesota's Machinery Museum consists of five large buildings on a beautiful six-acre site. The complex houses the state's largest collection of agricultural equipment and exhibits, recalling a century of farm life in stories and artifacts. Stroll through a farm home kitchen, parlor, bedroom, turn-of-the-century blacksmith shop and general store.

Open May-September  
Monday-Saturday 10 am-4 pm  
Sunday 1 pm-4:30 pm
